Submitted by theshovel

Hello my friends!

The Shovel articles presented in this section are related to 1 Corinthians 9 in more than just a passing reference. To access them, choose from either the list of article links below, or from menu on the right sidebar (they are identical). These articles might originate from a few different sources, such as from a newsletter, Q&A, or even a ShovelAudio.

You can also access more related articles through one of the links just below the book navigation.
